Except for historical information, the statements set forth herein including, but not limited to, any statements regarding our earnings, our liquidity, our tenants' ability to pay rent to us, expected financial performance (including future cash flows associated with new tenants or the expansion of current properties), future dividends or other financial items; any other statements concerning our plans, strategies, objectives and expectations for future operations and future portfolio occupancy rates, our pipeline of acquisition opportunities and expected acquisition activity, including the timing and/or successful completion of any acquisitions and expected rent receipts on these properties, our expected disposition activity, including the timing and/or successful completion of any dispositions and the expected use of proceeds therefrom, and any statements regarding future economic conditions or performance are forward-looking statements. DISCLOSURES

Rent Coverage Ratio

For purposes of calculating our portfolio weighted-average EBITDARM coverage ratio ("Rent Coverage Ratio"), we excluded credit-rated tenants or their subsidiaries for which financial statements were either not available or not sufficiently detailed. These ratios are based on latest available information only. Most tenant financial statements are unaudited and we have not independently verified any tenant financial information (audited or unaudited) and, therefore, we cannot assure you that such information is accurate or complete. Certain other tenants (approximately 16.4% of our portfolio) are excluded from the calculation due to (i) lack of available financial information or (ii) small tenant size. Additionally, included within 16.4% of non-reporting tenants is Pipeline Healthcare, which filed for Chapter 11 bankruptcy protection in October of 2022. Additionally, our Rent Coverage Ratio adds back physician distributions and compensation. Management believes all adjustments are reasonable and necessary.
