(the “Company”) announced the declaration of a cash dividend of \$0.20 per share of common stock to stockholders of record as of September 27, 2016, to be paid on or about October 11, 2016. A copy of the press release announcing the dividend is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

### Announcement of Property Acquisitions

On September 15, 2016, the Company announced that it has entered into agreements to acquire two projects, and has entered into an assignment and assumption agreement to assume a purchase contract for a third project, encompassing a total of eleven buildings for an aggregate purchase price of \$30,860,000. The three projects are the “Brown Clinic” in Watertown, SD; the “Northern Ohio Medical Specialists (NOMS)” portfolio in Northern Ohio; and the “Prospect Medical Office Building” in East Orange, NJ.

#### *Brown Clinic Acquisition*

On September 7, 2016, the Company entered into a purchase contract to acquire three buildings encompassing 46,884 total square feet for a purchase price of \$9 million. The main location consists of two buildings, a 30,062 square foot clinic and a 3,136 square foot administration building. Both buildings were renovated in 2011. The third building in the portfolio is a 13,686 square foot clinic that was renovated in 2015 and 2016.

The properties are currently owned by the Brown Investment Group and operated by the Brown Clinic. Upon closing, the Company expects to lease the portfolio properties to Brown Clinic via a 15-year triple-net lease with two additional five-year renewal options.

#### *NOMS Portfolio*

On September 13, 2016, the Company entered into an assignment and assumption agreement to assume from a third party a purchase contract to acquire a portfolio of seven properties, known as the NOMS portfolio located in Northern Ohio, for a total purchase price of \$10 million in three sequential closings. The NOMS portfolio covers an aggregate of 50,931 square feet.

The NOMS portfolio is currently owned by a multi-specialty physician group which has been in operation since 2000. The group includes over 120 physicians of which approximately half are primary care providers. The Company expects to lease the properties to NOMS using a triple-net lease structure with an initial term of 12 years with two additional five-year renewal options.

#### *Prospect Medical Office Building*

On September 14, 2016, the Company entered into a purchase contract to acquire a single medical office building and treatment facility which is part of the campus of East Orange General Hospital in East Orange, New Jersey for a purchase price of \$11.86 million. The 60,442 square foot building currently houses physician offices, a 29-bed dialysis center, a wound center, a diagnostic lab, a hyperbaric chamber and a pharmacy. Upon closing, GMR expects to enter into a triple-net lease with tenant Prospect Medical Holdings (“PMH”) for an initial term of 10 years, with four five-year renewal options. PMH acquired the building in March 2016 as part of its acquisition of the East Orange General Hospital. PMH is a portfolio company of private equity firm Leonard Green & Partners.

The Company’s obligation to close these acquisitions is subject to customary conditions, including the Company’s completion of its due diligence to its satisfaction. For the Brown Clinic transaction, the Company’s earnest money deposit will become non-refundable at the end of the due diligence period on October 12, 2016. At that time, if the Company does not terminate the purchase contract, the Company will be required to make an additional, non-refundable earnest money deposit. For the Prospect Medical Office Building transaction, the Company’s earnest money deposit will become non-refundable at the end of the due diligence period on October 14, 2016. At that time, if the Company does not terminate the purchase contract, the Company will be required to make an additional, non-refundable earnest money deposit. For the NOMS portfolio, the Company’s assumption of the purchase contract will be effective if the Company elects to proceed with the closing and reimburses the assignor’s earnest money deposit by September 30, 2016, which is the expected closing date on the initial five buildings in the portfolio. The Company would be required to make an additional non-refundable earnest money deposit in order to close all seven properties in the portfolio. All deposits will be applied to the purchase price in each transaction. Although the Company believes completion of these acquisitions is probable, there is no assurance that the Company will close them.

A copy of the announcing press release is furnished as Exhibit 99.2 to this Current Report on Form 8-K.
